Organic Glow Facial

60 min - \$100

The Organic Glow Facial includes gentle cleansing, pumpkin exfoliation mask, aromatherapy facial massage, extractions if needed, masking, toning and moisturizing. Finishing touches include lymphatic drainage with Gua Sha or a crystal roller, jasmine eye gel and nutrient-rich lip balm. This journey of the senses will transform your skin leaving it vibrant and renewed!

Glycolic Renewal Facial

60 min - \$140

Professional strength glycolic acid is used to exfoliate the outer layers of dead skin cells, revealing smoother, healthier skin. This anti-aging facial helps with collagen production, softens fine lines, acne, scars, sun damage, and hyperpigmentation.

Celluma LED Light Therapy - Skin Reset Facial

70 min - \$160

A relaxing 30 minute FDA-approved Celluma light therapy treatment follows cleansing and exfoliation. Facial massage, masking, toning, and moisturizer help further rejuvenate skin. Finishing touches include eye cream and lip balm. Light therapy benefits include collagen boost, fading scars and hyperpigmentation, softening fine lines and wrinkles and improving elasticity. The “**Wrinkle Setting**” reduces wrinkles, redness and inflammation while firming and toning your skin. The “**Acne Setting**” fades acne scars and destroys the bacteria which causes acne.

NuFace Transformation Facial

70 min - \$160

Coined as “pilates for the face” and “non-surgical face lift”, this facial offers instant gratification and amazing results. The NuFace device is FDA-approved to stimulate delicate facial muscles to reduce fine lines, wrinkles, and puffiness by lifting, sculpting and tightening the skin. This facial includes a NuFace facial session and a NuFace Trinity eye and lip session.

The Works!

90 min - \$200

This deluxe facial incorporates a relaxing 30 minute Celluma light therapy session to reveal bright, firm skin with a noticeable reduction in wrinkles, acne, and overall improved tone. The NuFace “non-surgical facelift” micro-current treatment is used to lift and tone leaving skin glowing, healthy, & youthful. *Facial includes an anti-aging glycolic peel for hands & soothing hyaluronic eye mask.

All facials include hand, arm, shoulder & aromatherapy scalp massage to further your relaxation.
