

Chez Aubrey Complete Skin & Body Care Appointments ~ 561-317-1897

All Chez Aubrey facials feature gentle cleansing, exfoliation, aromatherapy facial massage, extractions, hydration-purification mask, toning, moisturizing, and protective lip balm. An aromatherapy scalp massage including shoulders, arms, and hands furthers your relaxing experience.

Celluma LED Light Therapy - Skin Reset Facial 80 min - \$160

A relaxing 30 minute FDA-approved Celluma light therapy treatment follows cleansing and exfoliation. Facial massage, masking, toning, and moisturizer help further rejuvenate skin. Finishing touches include eye cream and lip balm. Light therapy benefits include collagen boost, fading scars and hyperpigmentation, softening fine lines and wrinkles and improving elasticity. The **“Wrinkle Setting”** reduces wrinkles, redness and inflammation while firming and toning your skin. The **“Acne Setting”** fades acne scars and destroys the bacteria which causes acne.

NuFace Facial Plus NuFace Trinity Eye & Lip Treatment 80 min - \$180

Coined as “pilates for the face” and “non-surgical face lift”, this facial offers instant gratification and amazing results. The NuFace device and attachments are FDA-approved to stimulate delicate facial, lip and eye muscles to reduce fine lines, wrinkles, and puffiness by lifting, sculpting and tightening the skin.

The Works! 90 min - \$200

This deluxe facial incorporates a relaxing 30 minute Celluma light therapy session to reveal bright, firm skin with a noticeable reduction in wrinkles, acne, and overall improved tone. The NuFace “non-surgical facelift” micro-current treatment is used to lift and tone leaving skin glowing, healthy, & youthful.

*The Works facial includes an anti-aging glycolic peel for hands.

Jet Plasma Anti-Aging Facial

Jet Plasma is used to tighten the skin, diminish wrinkles, diminish hyperpigmentation, aid in clearing acne, scarring, stretch marks, and improve product absorption. It is ideal for thin and sensitive skin areas like the eye area, mouth area, neck and decollete. This extremely powerful device penetrates plasma through the epidermis, into the dermal and subcutaneous layers of the skin stimulating high levels of collagen and remodeling the cellular structure from the inside out.
